

WELCOME TO WEST!

WWW.WESTSWIM.CA

The WEST website can be found at www.westswim.ca. This website contains everything you need to know about practices, meets, news, and the club. Check it frequently!

MEETS

SEAL League meets are considered introductory meets and are open to new swimmers. Check the Meet Schedule on the website for details. Permission Forms contain the necessary paperwork.

VOLUNTEERING

In order to run successful swim meets, many volunteers are needed. WEST has specific volunteer requirements which, if met, will mean your \$200 cheque is not cashed, and you may qualify for a registration discount next year! .

OFFICIATING

Officiating is a highly rewarding way of participating in your club and your swimmer's meets. Swim Ontario has five levels of officials, beginning with Timekeeping, which is an easy first step.

This website contains information about sign-ups and meets. You will require a password.

QUESTIONS?

There will be an important information meeting on September 15, from 11-1 at the Windsor International Aquatic Training Centre. If you have any questions as to events your child should participate in, speak to your child's coach.
